RE: 15-FOIA-212 Incident Report #15-105236

Dear Ms. Flores:

On October 15, 2015, we received your request for incident report #15-105236 (“**Request**”).

After performing a diligent search of Metra’s records, we have been unable to locate any records responsive to your Request for incident report #15-105236. Metra’s Police Department informed us that they do not possess any incident report by this number or any report regarding a slip and fall by [REDACTED].

Please note that this particular train line (the Union Pacific North) is owned and operated by the Union Pacific Railroad (“UP”). We have contacted the UP concerning your request for records. In their response to our inquiry, the UP stated that the requested records are not public records and therefore, are not subject to production under FOIA or the Purchase of Service Agreement with Metra. The UP did recommend that we direct you to their Risk Management Representative, [REDACTED].

If I can be of further assistance to you, please do not hesitate to contact me.

Sincerely,

Jamie V. Harrmann
