---

Good Afternoon Metra FOIA Officer,

I'm looking for blueprints to the Highliners that run your electric line for a 3rd party project for Trainz Simulator produced by N3V. To be more precise I'm looking for the blueprints to the Highliners delivered by Bombardier between 1978-1979 that were retired in early 2016, if you don't have these on record could you possibly direct me on who might have the blueprints on record. If possible could I also get blueprints to the Nippon Sharyo Highliners, because these are still in service I understand if you can't give out information to the public. I look forward to your reply.

Sincerely,  
Christopher Livingston
